SANBONA EXPLORER CAMP

This unique walking experience is ideal for guests looking for an adventurous and authentic option offering an ambience of a tented bush camp. The camp is located in a superbly shaded river line, north east of the reserve and approximately 30 minutes drive from Dwyka Tented Lodge.

This is a flexible experience for guests to experience and explore the Sanbona Karoo as we believe that the rigidity of travel needs to be simplified by going back to basics.
