ULUSABA PRIVATE GAME RESERVE | SABI SANDS

5 NIGHTS

You're on top of the world at Rock Lodge! Survey miles of game-rich bush as you stand eight hundred feet above the wilderness. Ulusaba means "place of little fear". That's because the koppie where Rock Lodge sits provided the ancient Shangaan warriors with the perfect lookout point.

Here the view is king and there are endless opportunities to spot the roaming wildlife, all set against a backdrop of the Drakensberg Mountains far in the distance. The view inside is just as spectacular and the granite rock of the koppie is a key feature of the main house's design and each room has a different design reflecting African tribal influences and style.

Ulusaba is Sir Richard Branson's Private Safari Game Reserve located in the Sabi Sand Reserve in South Africa. Ulusaba is known for the quality of its safari experience, with some of the most experienced Rangers and Trackers in the country.

ROOM: Rock Cliff room

Rock Cliff rooms, all south facing with views over the vast landscape each from their own private balcony. Rooms are spacious and offer en-suite bathrooms with spectacular views. Two of these rooms are built on split levels with a spiral staircase connecting the bedroom and bathroom.

ACTIVITIES

AM and PM Game drives, where you'll traverse over 13,500 hectares of private reserve with your dedicated Ranger and Tracker who will tailor your game drive just for you!

Safari Walks - depending on the weather there is usually a safari walk directly after breakfast if you fancy it. Your Ranger and Tracker will guide you and will point out various birds and animals – this is a great opportunity to see smaller creatures that are often missed when you're on the game vehicles. We'll also teach you some fascinating facts about the medicinal use of trees and plants along the way.

The Aroma Boma Spa has a whole range of treatments available, from facials and massages through to those essential grooming rituals.

Outdoor pool, viewing deck, gym, bar and lounge in main area.

WILDLIFE

BIG FIVE

Game Drives/Big Five: Big Five: Lions, buffalos, leopards, elephants and rhinos – is an old term originally referring to the five most dangerous animals to hunt, and not to the biggest or strongest animals as commonly thought.

THE LITTLE FIVE

Rhino beetles, elephant shrews, leopard tortoises, buffalo weavers and ant lions. The little five, however do live up to their name!

FAMILIES AT ULUSABA

At Ulusaba kids of any age can stay at Rock and Cliff Lodge and are invited to join the Cub's Club. We offer a range of activities tailored to each child or group together with Cub's cuisine. All Cubs will be given a Cub's Club Backpack full of little goodies to entertain and educate them about the African Bush. Rock Lodge is ideal for families with children as this is where our Ulusaba Cub's Club is based.
